University Students Perspectives of Kabuki

Hi my name is Allan Coello, and I am majoring in Japanese Language and culture at California State University Monterey Bay. Kabuki is a traditional Japanese performing art that dates back to the early 17th century that blends elements such as make-up, costumes, acting, and gorgeous stage settings. Super Kabuki was founded in 1987 by Ennosuke III, that is influenced by concepts from Broadway theater such as recorded music and flashy costumes while blending the concepts of Traditional Kabuki. Please answer the following questions for my research.
